A card was issued yesterday by the Water Committee of the Danville City Council that unless sufficient rain fell within the next three days the supply would have to be cut off at the power-house. The situation has assumed an alarming stage; and Danville is a Prohibition town, too!

The good old times of torch light processions, bands of music, red lights, fights and a general commotion that in years gone by preceded a Presidential election seem to have become things of the past. The country is sorely going to the demitition bowwows when such inherent rights and privileges are willingly given up.

The character of a manufacturer is generally stamped in the character of his product; and THE LEDGER has pleasure in recommending Alpha Flour, from the mills of Gwinn Brothers & Co., Huntington, W. Va. Both firm and flour are equally reliable; and the next time your barrel's empty replace it with "Alpha," for sale by J. C. Cablish, G. W. Geisel and other good grocers.

It's fine! The New Crop New Orleans Molasses billed by M. C. Russell Co. is just the thing, and when hitched on to buckwheat cakes there's an irresistible breakfast menu for these crisp mornings. The Russell Co. has not only the Molasses, but it has the Buckwheat Flour, and through the proverbial generosity of that firm THE LEDGER Man was made glad in the possession of a supply of each. Yum, yum!

A ladies' 14k gold watch with Elgin, Waltham and Hampden movements, only \$25; 14k gold-filled watch, 25 year guarantee, only \$15; 10k gold-filled watch, 20 year guarantee, only \$12.50, with American movements. Sterling silver tea spoons only \$3.50 for six; Rogers & Bros. 1847 knives and forks \$3.75 per dozen. Eight-day clock only \$2, in Walnut or Oak case. MURPHY, the Jeweler.

A trim little gasoline launch landed at the wharf yesterday afternoon. The boat was nameless and the party aboard consisted of two young women and three men. They said they had cruised from Pittsburgh and were bound for New Orleans. They were guarded in conversation and rather reticent. They acted rather mysteriously, so much so as to arouse suspicion as to their movements and occupation.

WEDDING ANNIVERSARY

Mr. and Mrs. George Wood Married Twenty-Four Years

Thursday, October 27th, 1880, was the happiest and most eventful day in the life of George Wood of West Third street. It was his wedding day. Twenty-four years of love and domestic bliss have intervened, and his then raven locks, now threaded with silver, is the only sign of years gone by. When a man is always singing and happy it is a never failing barometer that he is the possessor of a good wife and that his domestic relations are superlative.

Last night was the twenty-fourth anniversary of Mr. and Mrs. Wood's wedding. Their legion of friends join THE LEDGER in extending congratulations and expressing a hope that they may live to round out a hundred years.

THEY'RE AFTER THEM!

County Bloodhounds Scenting Gang of Supposed Thieves

The county bloodhounds, in charge of Major Roesser, were put on the trail of the thieves who attempted to force an entrance to M. P. Redmond's grocery Wednesday night.

The dogs picked up the trail and went down Limestone to the river; they then trailed up the river bank to the Infirmary; passed through the grounds on to the Fairgrounds beyond; here they came to a wire fence that had been cut by nippers; passing through the opening they kept on to Kennedy's Creek, where they stopped for a time at a house, and then continued further on up, stopping at another, where they made a stand and refused to go farther.

While indications point to certain parties, as yet no arrests have been made.

SUNDAY MEETINGS

Fine Speaker and Soloist For Y. M. C. A. Services

Mr. Minor C. Williams, an especially fine solo singer of Columbus, O., will sing at the Washington Opera-house Sunday afternoon during the Men's Meeting.

You must hear the speaker of the afternoon, men, Mr. J. C. Acheson, for he is a strong one and his subject is one of the hour.

Remember to come early as no one will be permitted to stand in the aisle. That's why the Opera-house was secured.

Sunday night at the First M. E. Church, South, Mr. Acheson will speak on the subject "The Place and Power of the Young Men's Christian Association." This is the usual union anniversary meeting of the Association in Maysville.

Rev. P. F. King has resigned as Pastor of the Christian Church at Carlisle.

The Ladies' Committee of the Y. M. C. A. assisted by the Churches of the city, will hold a "County Fair" November 18th and 19th, for the benefit of the Association.

A HINT TO THE WISE.

This Advice Will Bear Repeating in Maysville.

"Don't chase shadows." Doubtful proof is but a shadow. You can rely on testimony of people you know.

You can investigate local evidence. Mr. W. H. Campbell of No. 490 West Third street says:

"Doan's Kidney Pills sold at J. James Wood & Son's Drugstore, corner of West Second and Market streets, proved to be a wonderfully effective remedy for relieving and curing kidney troubles. It is a great boon to people on the down grade of life to know of a remedy which has such soothing and healing powers. It should be known to every person of advanced age."

If the Democrats are honest in their present contentions, they must have rejoiced that our Navy was but poorly prepared for the War with Spain in 1898.

JUDGE PARKER has added another to the many qualifications which he has developed during the brief period since he became a candidate for the Presidency of the United States. This new characteristic takes the form of stubbornness in the highest degree. For instance, after the Judge made the statement that the Philippines had cost us \$650,000,000, and was told by those highest in authority that he had over-estimated the amount by fully \$450,000,000, one can imagine the Judge saying: "Well, I will stick to the \$650,000,000, anyway. To acknowledge ignorance or an error at this stage

of the game would be fatal, and so the \$650,000,000 goes to the end of the campaign."

So, too, with the estimate of the loss of 200,000 soldiers. The Judge has since found that we have sent into the field all told only 122,000, while the casualties from all causes are less than 15,000, and yet we can imagine the Judge saying about that, too: "Well, I will stick to the 200,000 now, for to reduce my figures would only make me appear absurd."

And, on the principle that a lie well stuck to is as good as the truth, the Judge clings to his figures; and, to bolster him up, Edward Atkinson and The Springfield Republican come along and increase the figures threefold. For instance, The Springfield Republican thinks that Judge PARKER'S 200,000 dead should be fully 600,000, while EDWARD ATKINSON cannot find figures enough to represent the money sunk in the Philippines. Why, then, should Judge PARKER not be stubborn and stick to his original figures, no matter how far out of the way they may be? The case is hopeless anyway; the game is lost, and in only a few days the Judge can retire again to Esopus the most overwhelmingly defeated man in the history of American politics. No wonder he is stubborn and will remain stubborn till the end!

MARRIED AT LEXINGTON

Prominent Young Couple From Fleming Wedded Wednesday

Mr. James Souseley and Miss Mary Lee, prominent young people of Fleming county, were quietly married Wednesday evening at the Phoenix Hotel at Lexington, the Rev. G. W. Young of Georgetown officiating.

The news of this union will be a pleasant surprise to the many friends of the bride and groom, both being very popular in their circle.

Miss Lee is the handsome and cultured daughter of Mr. and Mrs. John N. Leo of Tilton. She is the niece of Mr. John Duley, and has often visited in Maysville, where she is much admired for her rare personal charms.

Mr. Souseley is a prosperous young farmer of Fleming, and is to be congratulated on his splendid choice for a wife.

After the ceremony at Lexington the young couple left for St. Louis to spend their honeymoon at the World's Fair.

The annual reunion of the Orphan Brigade will be held at Frankfort November 3d.

The gross earnings of the L. and N. for the third week of October were \$812,025, an increase of \$36,090 over the same week last year.

VINOL FOR THE AGED

John C. Pecor, Our Well Known Druggist, Prepared to Show That Nothing Equals Vinol for Old People.

Said Mr. Pecor: "It is a pleasure to receive letters like the following in regard to our Vinol, as they fully substantiate our claims as to what it will do."

Mr. Joseph Bankson of Decatur, Ill., writes: "I am in my 78th year, and for some time I have been losing strength and suffered with a chronic cold and lung trouble, until I was seriously ill

JOSEPH BANKSON.

and could not go out of doors. My son sent me some Vinol. I commenced to take it and it has simply worked wonders for me. I feel better and stronger than I have for years, and my cough is all gone."

"You see," said Mr. Pecor, "Vinol contains in a concentrated form all the strengthening, healing properties of cod liver oil, but without a drop of oil or grease to upset the stomach, and no sickening drugs, and for this reason it has remarkable power to cure chronic coughs and colds, build up and invigorate the weak and aged, make rich, red blood, cure stomach troubles and restore the convalescent to perfect health."

"I just wish every aged, run down or debilitated person in Maysville would try Vinol on our guarantee to return the money paid for it every time it fails." JOHN C. PECOR, Druggist.

The death sentence in the case of J. W. Bass, wife-murderer, of Lexington, was upheld by the Court of Appeals.

Rural free delivery will be established December 1st at Morefield, with one carrier. The area to be covered in eighteen square miles, serving a population of 700.

BROKEN GLASS

Was Caused By Some Boys Breaking a City Ordinance

All men were once boys, a fact that should never be forgotten.

At the same time boys should remember that it is expected of them as well as men to obey the laws and ordinances of the city.

Playing football, shinney and other games on the public thoroughfares is a violation of city ordinance.

Had the High School boys kept this in mind they would not have engaged in an exciting game of shinney yesterday in Fourth street and broken a 28x40 pane of glass in one of the residences in the Cox Row and thereby put their parents to the expense of replacing the broken glass.

Boys will be boys, however, the same today as in the beginning—like Topsy, they just grow that way.

RELEASED—RE-ARRESTED

William N. Clark Charged With the Murder of John W. Burden

The examining trial of William Nunn Clark, who, with William Howard, alias Hook, was arrested last Saturday, charged with murdering and robbing John W. Burden, near Millersburg, was held Wednesday at Paris, and Clark was released.

The Negro waived his examination and was held without bond.

Clark, whose relationship is composed of many of the best families in Bourbon county, was never placed in Jail, but was released under guard. County Judge Smith decided there was no ground to justify holding him for further investigation.

Virgil Burden, a brother of the murdered man, made affidavit before Judge Smith, and Clark was re-arrested and again charged with the murder. His trial is set for tomorrow, and he was this time refused bail and sent to Jail.

Judge Osborne of Cynthia has been engaged by the murdered man's brother to assist in the prosecution, and before Judge Smith decided to turn Clark loose Mr. Osborne asked for a postponement until today, when he could introduce additional testimony.

The Negro testified for the Commonwealth in Clark's examination, and denied his former accusation about seeing Clark strike Burden the blow on the head.

Voice of the People

MAYSVILLE, October 27th, 1904.

Editor of Ledger: Just received following by long distance telephone and hasten to give publication in view of vast numbers involved.

"A California physician has discovered a new disease—'love madness,' but has been fortunate in promptly developing the 'love parasite,' or bacillus micrococcus. This he cultivated up to the twentieth generation and with the parasites of that generation he inoculated a number of subjects. The inoculation was invariably successful, symptoms of the disease appearing a very short time after the operation."

"For instance, a bachelor, aged fifty, on the first day after the inoculation, had his whiskers dyed, ordered a new suit of clothes and a set of false teeth, bought a top buggy, a bottle of hair restorer, a diamond ring and a guitar and began reading Byron's poems. The inoculation produced symptoms of the same nature in a very young lady of not more than forty-five. She spent \$5 at a drugstore for cosmetics, bought a lot of new hair and a croquet set, sang 'Empty is the Cradle,' sent out invitations for a party and complained that the young men do not go into society. An inoculated youth of seventeen, employed in a country store, did up a gallon of molasses in a paper bag and also, in a fit of absent-mindedness, put the cat in the butter tub and threw some fresh butter out of the window. Finally he sat in a basket of eggs while looking at the photograph of a pretty girl, and was discharged for his carelessness. The Doctor is still experimenting, and will soon lay the result of his observations before the medical world."

Am in hourly communication with the Doctor in the premises and pledge my best efforts for all concerned.

Tuesday Night, November 8th, Election Returns will be received by special wire.

Miss Rose Peterson, Secretary Parkdale Tennis Club, Chicago, from experience advises all young girls who have pains and sickness peculiar to their sex, to use Lydia E. Pinkham's Vegetable Compound.

How many beautiful young girls develop into worn, listless and hopeless women, simply because sufficient attention has not been paid to their physical development. No woman is exempt from physical weakness and periodic pain, and young girls just budding into womanhood should be carefully guided physically as well as morally.

If you know of any young lady who is sick, and needs motherly advice, ask her to write to Mrs. Pinkham at Lynn, Mass., who will give her advice free, from a source of knowledge which is unequalled in the country. Do not hesitate about stating details which one may not like to talk about, and which are essential for a full understanding of the case.

Miss Hannah E. Mershon, Collingswood, N. J., says:

"I thought I would write and tell you that, by following your kind advice, I feel like a new person. I was always thin and delicate, and so weak that I could hardly do anything. Menstruation was irregular."

"I tried a bottle of your Vegetable Compound and began to feel better right away. I continued its use, and am now well and strong, and menstruate regularly. I cannot say enough for what your medicine did for me."

How Mrs. Pinkham Helped Fannie Kumpe.

"DEAR MRS. PINKHAM:—I feel it is my duty to write and tell you of the benefit I have derived from your advice and the use of Lydia E. Pinkham's Vegetable Compound. The pains in my back and womb have all left me, and my menstrual trouble is corrected. I am very thankful for the good advice you gave me, and I shall recommend your medicine to all who suffer from female weakness."—MISS FANNIE KUMPE, 1922 Chester St., Little Rock, Ark. (Dec. 10, 1900.)

Lydia E. Pinkham's Vegetable Compound will cure any woman in the land who suffers from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, nervous prostration, and all forms of woman's special ills.

\$5000 FORFEIT If we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Med. Co., Lynn, Mass.

DISFIGURED WITH ECZEMA

Under Physicians Five Months. Went from Bad to Worse.

CURED BY CUTICURA

Wonderful Change in One Night. In a Month Face Was Clean as Ever.

"I was troubled with eczema on the face for five months during which time I was in the care of physicians. My face was in such a condition that I could not go out. It was going from bad to worse and I gave up all hope, when a friend of mine highly recommended Cuticura Remedies. The first night after I washed my face with Cuticura Soap and used Cuticura Ointment and Cuticura Resolvent it changed wonderfully, and continuing the treatment it removed all scales and scabs. From that day I was able to go out, and in a month my face was as clean as ever." THOMAS J. SOTH, 317 Stagg St., Brooklyn, N. Y.

The above letter was received in 1893 and he again writes us Feb. 19, 1903, "I have not been troubled with eczema since."

The agonizing itching and burning of the skin as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of worried parents, as in milk crust, totter and salt rheum—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Resolvent are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures of the civilized world.

Sold throughout the world. Cuticura Resolvent, 50c. (in form of Chocolate Coated Film, 25c. per roll of 50). Ointment, 25c. Soap, 25c. Depot: London, 27 Chancery Lane, E.C. 4. Paris, 4 Rue de la Paix, 2e Etage. New York, 157 Broadway. A. C. S. Co., Inc., New York, N. Y.
